Summer Is Here!

Whether it's your business, or home, please remember to take the necessary steps to secure the property from potential criminals going to work in your area. During this time of year, there's a large increase of people going on vacation, and also kids being off school and enjoying their summer. Connect with trusted neighbours if you are heading out of town, or contact the Ladner Community Police. We will send a trained team out

to check on your property, and conduct an up-to-date report on our findings. **The program is cost free!**

Bicycle Theft

During the summer months, there is a large increase in the amount of people using their bicycles. Whether you are riding to work, setting up bikes for sale at your business, or storing your bike at home, please take proper measures to ensure you're not the victim of theft.

- make sure to secure and/or lock your bicycle to a stationary object, like a tree or bike rack. It is best to avoid locks that can be easily cut or broken (ie – chains and cables)
- remove any accessories that can be easily removed
- you can opt to remove the front tire, to make the bike less attractive and more difficult to take

LOCK IT OR LOSE IT!

Be sure to take all the necessary measures that will allow you to enjoy your summer!!
Being the victim of criminal activity is zero fun
