

# IMPORTANT TRAFFIC DISRUPTION NOTICE

TOUR de DELTA  
BRENCO CRITERIUM  
Saturday, July 9, 2016

48 Avenue – Laidlaw Street to Elliott Street  
Elliott Street – 48 Avenue to 47A Avenue  
47A Avenue – Elliott Street to Laidlaw Street  
Laidlaw Street – 47A Avenue to 48 Avenue

## *The Impact on You*

The Brenco Criterium takes place on Saturday July 9, 2016, featuring pro cyclists racing through Ladner Village and the surrounding area at 60 km/hr! You have to see this for yourself!

**Please note that there will be significant disruption to vehicular access to and from your residence or business during the Brenco Criterium from 12:00-9:30pm on Saturday, July 9.**

- 🚲 The Criterium will see cyclists starting on 48 Avenue riding east on 48 Avenue to Elliott Street, south on Elliott Street to 47A Avenue, west on 47A Avenue to Laidlaw Street, north on Laidlaw Street to 48 Avenue. The start/finish line is on 48 Avenue at Haviland Street in front of the CIBC branch.
- 🚲 Traffic flow along the race lanes of the route will be **CLOSED** between **3:00pm and 9:30pm**, **except on 48 Avenue from Laidlaw Street to Elliott Street, which will be closed at 12:00pm** to facilitate set-up. Please see map on the reverse side.
- 🚲 Vehicular access will be restricted on the entire course from 3:00pm-9:30pm. Should you need to get access to your vehicle, please ensure it is parked outside of the course prior to road closures.
- 🚲 During this time, **it is important that there are no vehicles parked in either lanes of the race route**. If necessary, vehicles will be towed at owner's expense. Please make a note of this as there will be no exceptions. Pedestrians will be directed by road marshals at strategic crossing locations. Emergency service vehicles will have uninterrupted access.

## *Our Invitation to You*

Come join the crowds around the new Ladner race course to enjoy an exciting evening of international cycling! What a perfect way to enjoy free entertainment on a Saturday evening in your community. See [www.tourdedelta.com](http://www.tourdedelta.com) for more information.

**If you have any questions about traffic disruptions, please call the Engineering Department at 604.946.3260 or [engineering@delta.ca](mailto:engineering@delta.ca).**

*Your cooperation and understanding is greatly appreciated and we look forward to you joining us for this signature community event.*
