# SKILLS LINK PROGRAM

**Where Youth Develop Skills & Gain Valuable  
Work Experience!**

## PROGRAM OVERVIEW:

Skills Link is a paid *17-week* program that combines classroom training with on-the-job experience.

Skills Link helps youth to create their *own* career opportunities and successfully transition into the labour market.

The program includes:

- ▶ **Five Weeks** of classroom training which includes career exploration, job search skills, job maintenance skills, critical thinking and life skills; as well as certifications like First Aid and World Host (customer service training)
- ▶ **Up to Twelve Weeks** of full-time work experience
- ▶ Presentations by community-based **Guest Speakers** who will share their experiences and ideas about career choices and job opportunities
- ▶ **One-to-One** employment counselling from Life Skills Counsellors
